

WHY YOU NEED

**A PERSONAL
FINANCIAL
ORGANIZER**

The Problem:

- Does your desk look as if it's drowning in a sea of bills, cancelled checks and brokerage statements?
- Do you travel frequently and worry about what awaits at your doorstep when you return home?
- Do you often pay late charges simply because you misplaced or forgot to pay your bills?
- Does it take you days or weeks to gather all your records and receipts for your accountant at tax time?
- Are you concerned about the complexity of your finances?
- Are you burdened by the finances of an older relative or family member?
- Do you keep track of all of the fragmented financial data you have?

Let's face it, dealing with financial responsibilities is costing you time, money and stress.

The Solution:

A PERSONAL FINANCIAL ORGANIZER.

We lead frantic lives. Tending to our finances usually becomes a low priority. What's more, when you factor in the different types of accounts and bills, keeping track of it all is a time consuming and laborious task.

Our solution is time tested and proven. For example, we can organize your finances, pay your bills and consolidate your financial information. We can assess your spending, create a budget and help you save for the future.

We take the time to listen to your concerns, goals and objectives and tailor a solution specifically for you.

Our Services:

Your finances are a necessary part of life. They do not have to concern you.

Get rid of the anxiety, nervousness, worries and insecurity caused by these tangled and frustrating burdens.

A personal financial organizer from Redlig Financial Services will help you organize your financial information so you can meet your financial obligations and rest easier.

Convert your financial chores from frustration to information.

Affiliations:

1. American Association of Daily Money Managers
2. National Association of Professional Geriatric Care Managers
3. Alzheimers Association
